## Location and Design Report

**DATE:** 3/30/2020

**FILE:** P.I.# 0013942  
Troup County / GDOT District 3 - Thomaston  
SR 1/US 27 @ LONG CANE CREEK 3.5 MI SE OF LAGRANGE

**FROM:**  for  
Kimberly Nesbitt,  
Program Delivery Administrator  
Office of Program Delivery

**TO:** Brent A. Story, P.E.  
Attn: Dave Peters, P.E.

**SUBJECT: Request for Location and Design Approval**

**Description and Project Proposal:** SR 1 at Long Cane Creek is a bridge replacement project located in Troup County on State Route (SR) 1/ United States Highway (US) 27, 3.5 miles southeast of LaGrange, Georgia. The project proposes the replacement of the existing 120-foot long bridge with a new 150-foot bridge with a bridge clear width of 40 feet. The existing bridge over Long Cane Creek currently consists of two 12-foot lanes with curb and gutter. The proposed bridge consists of two 12-foot lanes and two 8-foot outside shoulders and built approximately 8 feet above the existing deck height. An onsite detour bridge will be utilized during construction of the project to ensure maintenance of traffic; the overall project length will be approximately 0.3 miles.

**Concept Approval Date:** 09/19/2018

**Concept Update:** Revisions to the concept are not required.

**Environmental Document Type:** NEPA - CE

**Approval Date:** June 25, 2020

**Public Involvement:** N/A

**Consistency with Approved Planning:** The design description as presented herein and submitted for approval is consistent with the approved Concept Report.

**Recommendations:** Recommend that the location and design for the project be approved and that the attached Notice be approved for advertising.

# **NOTICE OF LOCATION AND DESIGN APPROVAL**

## **P. I. 0013942**

### **TROUP COUNTY**

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is: June 26, 2020

The SR 1 at Long Cane Creek project will replace the existing bridge with one designed to meet current design standards and raised approximately 8 ft from exiting deck height. This project is 3.5 miles southeast of LaGrange. An onsite detour bridge will be established during construction of the project; the overall project length will be approximately 0.3 miles and located entirely within the limits of Troup County, Georgia, Land District 6, Land Lot 202.

NOTE: Ordinarily the maps or plats would be available for public review at our area office. Due to current COVID-19 measures, members of the public may not be allowed to enter state buildings at this time. We apologize for the inconvenience. Anyone with questions or concerns about the project should call or email the area engineer listed below. To obtain copies of the drawings, maps or plats, please follow the instructions outlined below.

Drawings or maps or plats of the proposed project, as approved, are on file and are available for public inspection at the Georgia Department of Transportation:

William Boyd, Area Manager  
District 3, Area 5  
wboyd@dot.ga.gov  
1107 Hogansville Road,  
LaGrange, Georgia 30240  
706-845-4115

Any interested party may obtain a copy of the drawings or maps or plats or portions thereof by paying a nominal fee and requesting in writing to:

Kimberly Nesbitt  
Office of Program Delivery  
Attn: Victor Gill
